MAY 2020

FROM THE MANAGERS DESK

All activities have been cancelled until further notice due to COVID-19. The board will review opening up the common areas in a few weeks.

Don't forget Tahitian Gardens has a website, Tahitiangardens.net. You can use this website to access many things such as the, Tattler, Applications, Documents, Rules and Regulations, Etc. If you are an owner you may create an account on the website to access more information including budgets, contracts, financials, etc.

If you are going to be leaving your unit empty for any reason please be sure to shut off all valves inside your unit (toilets, sinks, water heater, etc.). The association has the right to turn on/use any water on the exterior of the building to maintain the common grounds as necessary.

Hurricane season will be amongst us soon, please make sure that you remove anything from the outside of your unit if you are not going to be here during the hurricane season.

Please remember when using a grill outside your unit, that you **MUST** move the grill at least 10 feet away from the building.

Mary Lane Wrought Iron and Aluminum is tentatively scheduled to begin the chain link fencing removal and railing installation on the bridges within the next 2 weeks with completion by the end of May. Once the railing installation is complete the surface work will begin.

Thank you for Arts and Crafts for donating 10 yards of red mulch to the association to be placed in the common areas around Tahitian Gardens. You will see this mulch being placed by maintenance throughout the property.
